Subject: Apple Partner Letter

Dear Ms. Lieu:

This letter serves to acknowledge that the City will partner with Apple Federal to offer your institution as a financial option to our employees. As you know, many of our employees have relationships with other financial institutions and other credit unions. While we want to offer Apple Federal as a choice, we cannot insure exclusivity.

The City holds a Benefits Fair in the spring of each year and we would welcome you to participate. We will also provide information about Apple Federal to our existing employees as well as provide information to new employees as they come on board. The City employs nearly 150 full-time employees and another estimated 100 temporary and seasonal.

Apple Federal Credit Union will provide the City of Manassas Park with a Select Employer Group Code that will allow employees and family members to join Apple Federal with convenience and ease.
