Subject: Manassas Drive fire video
Attachments: Agenda Item Request Form-January 19.doc

Mercury;

I've attached the agenda item request form for the last meeting in January. During the snow event the Mayor recommended that I show the video from the Manassas drive fire in a workshop type session at the end of the January 19 meeting or when schedules permit.

I will gladly let you view at your leisure if you desire also prior to deciding if you want this on the agenda.

Regards,
John O
