Hon. Frank Jones, Mayor
City of Manassas Park
1 Park Center Court
Manassas Park, VA 20111

Dear Mayor Jones:

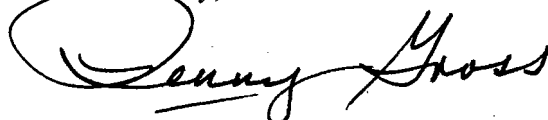

The City of Manassas Park is one of the fourteen jurisdictions that is a charter member of the Potomac Watershed Roundtable, which meets quarterly. The Roundtable was formed in 2000 as a government-citizen forum to promote regional collaboration and cooperation on environmental concerns, especially water quality issues.

The three-year term for members representing jurisdictions ended December 31, 2009. The current Member representing the City of Manassas Park is William Treuting. An Alternate has not been named. I am writing to ask that the City of Manassas Park appoint a Member and Alternate for the next three-year term, 2010 through 2012. In accordance with the by-laws, jurisdictions appoint an elected official as their member. Alternates may be another elected official or a staff person.

When you have made the appointment, please send the name and contact information to the above address, or to diane.hoffman@fairfaxcounty.gov. Since meeting notification and materials are communicated via email, please include an email address for your appointees. Also, please let us know if anyone else should receive the meeting notices. The next meeting of the Roundtable will be April 9 in Stafford County.

For more information about the composition and activities of the Roundtable, please see the enclosed Biennial Report, covering 2008-2009. Copies for the Council members are being sent to the City Manager. More information is available on the website, at www.potomacroundtable.org. Also, you are welcome to call me at 703-256-7717.

Sincerely,

Penelope A. Gross
Chair, Potomac Watershed Roundtable
Member, Fairfax County Board of Supervisors
