

**MANASSAS PARK RESOLUTION ADOPTING  
GREATER WASHINGTON 2050 COMPACT**

**WHEREAS**, Manassas Park recognizes and values its status as part of the economically vibrant and socially diverse National Capital Region; and

**WHEREAS**, Manassas Park takes part in regional planning and activities through its participation in the Metropolitan Washington Council of Governments; and

**WHEREAS**, in January 2008, COG established the Greater Washington 2050 Coalition, a public-private advisory panel, consisting of local government officials, representatives of the Region's business and environmental sectors, and members of the public representing numerous and diverse civic interests, to help shape the Region; and

**WHEREAS**, the Coalition sought to leverage existing regional and local vision plans and reach regional agreement on local actions that can help achieve common regional goals; and

**WHEREAS**, the Coalition examined how other regions have approached similar efforts, sponsored a workshop on future economic, environmental, and demographic trends and changes that could affect the National Capital Region, and commissioned and published a survey of public opinion on regional matters in 2008 and 2009; and

**WHEREAS**, after almost two years of work, the Coalition unanimously approved its final report, *Region Forward – A Comprehensive Guide for Regional Planning and Measuring Progress in the 21<sup>st</sup> Century*, which includes nine regional goals in four themes of accessibility, sustainability, prosperity, and livability; and establishes regional performance targets and indicators to measure required progress toward goals; and

**WHEREAS**, the COG Board approved the *Region Forward* report in January 2010, and recommended that local governments execute a voluntary regional compact incorporating these regional goals, and commit to consider regional implications in their local decisions and actions; and

**WHEREAS**, the Governing Body, after review and consideration of these goals and their potential benefit to the Region and to the residents and businesses of Manassas Park, believes that adoption of the voluntary *Greater Washington 2050 Compact* to be in the public interest of Manassas Park.

**NOW, THEREFORE, BE IT RESOLVED, BY THE GOVERNING BODY OF MANASSAS PARK THAT:**

1. Manassas Park hereby endorses the voluntary *Greater Washington 2050 Compact* and, within Manassas Park's legal, financial, and political limitations, commits to follow the principles and goals therein in its decisions and actions.
2. The governing body of Manassas Park is hereby authorized to sign the voluntary *Greater Washington 2050 Compact* on behalf of Manassas Park.
3. Staff of Manassas Park is hereby directed to familiarize itself with the voluntary *Greater Washington 2050 Compact* and to alert Senator Colgan and Delegate Miller on significant regional implications of proposed decisions or actions.
