Hi Theresa,

I don't remember which of these email addresses is the right one so am sending this msg to both.

Unfortunately I'm going to have to resign from the board. Things are just so hectic for me right now and am just going to consecrate on my family for now.

There's so much stuff going on at Park Place and need to just distance myself from the problems.

Thanks for the opportunity for me to serve on the board when I did. You do such a great job and are such a hard worker.

Jean Callahan
